# HOTEL WITH A VILLAGE FOR A HEART; *Argos in Cappadocia...*

A unique landscape created by volcanic tuff, delicately shaped by wind, snow, and rain for over thousands of years... In the heart of this fairy tale landscape, lies Argos in Cappadocia with 51 unique rooms and suites. As one of the most original transformation projects in Cappadocia, this dream-like hotel was brought to life with the restoration of the ruins of a thousand of years old monastery campus, caves, underground tunnels, and historical houses of Uçhisar village.

The hotel, which consists of 7 mansions spread over the hillside; stands out with its special location and unique landscape that connects living spaces with aesthetic loyalty to the authentic settlement, sophisticated interior decoration, and superior service quality. It also sets an important standard for the development of Cappadocia as an environmentally friendly and sustainable rural transformation project.

# AUTHENTIC EVENT VENUES

## THE HARMONY OF GOURMET DELICACIES, JOYFUL MEETINGS AND HISTORY

In each of the authentic and mystical venues of Argos in Cappadocia, there is a different experience, and in each experience, there is a unique story that awaits you.

## BEZIRHANE

Bezirhane, a monastery campus that has sheltered monks and priests, and has housed many functions during its 2000-year history, was once a caravanserai where camel caravans stayed on the Silk Road, and later a workshop where linseed oil was produced. With its impressive acoustics and two giant domes, this historical building is now a unique event venue that hosts meetings, dinners, invitations, weddings, concerts, and performances held with extraordinary stories.

## CHAPEL

Serving many purposes over time, Chapel originally served monks thousands of years ago as a place of worship. As one of Turkey's most impressive event venues today and one of the many historical places brought back to life by Argos in Cappadocia; it hosts joyful meetings, tasting events and special celebrations.

## MUSEUM HALL

From dinner parties to shows, Museum Hall today serves many purposes. Restored back to its old prime by Argos in Cappadocia, Museum Hall showcases the mill housing, ceramic jars and mule tracks of an ancient horse-powered linseed oil mill through a glass floor.

## MONKS

Perhaps one of the most special venues in Argos in Cappadocia, Monks is built on the terraces of the original slopes of Cappadocia which gave its name to our restaurant Seki. Monks offers a breathtaking view of Cappadocia and the fairy chimneys; it is a unique place for birthday parties or special celebrations with your loved ones on lush green grass—a rare sight to see in the region.

## SEKİ GRASS CORNER

A lush green area stretching out to Pigeon Valley... Seki Grass Corner invites you to collect unforgettable memories by hosting your special celebrations, weddings, and cocktail organizations. By offering a panoramic view from every angle, Seki Grass Corner will add a visual feast to the discovery experience of the visitors.

## VADI

Vadi; a lush green venue set under the endless sky offers limitless views of Uçhisar and its thousands of caves carved into a huge block of rock. It is the perfect venue for memorable events, concerts, meetings, and special celebrations under the stars with its mystical vibe, natural acoustics and fairy-tale atmosphere that will be carved in memories.

## TIRAZ CASTLE

Every celebration turns into a mystical and unforgettable memory in the shadow of Tiraz Castle. Composed of 6 fairy chimneys leaning against each other at the point where the magical landscape of Cappadocia meets the deep blue sky, Tiraz Castle awaits its visitors for celebrations with its atmosphere adorned with history.
